Dear Sirs;

ADE Professional Solutions

Storm Real Estate ASA is a Norwegian real estate investment company, investing in commercial property in Moscow and St Petersburg, with assets of approx USD 130 million. The company is a public company, listed on the Oslo Stock Exchange.

ADE Professional Solutions have assisted our company with preparation of quarterly and annual financial reporting in accordance with IFRS since 2008. The statements have been audited by Ernst & Young Moscow. In addition they have assisted us with due diligence on potential acquisition opportunities.

We are pleased with the working relationship with ADE Solutions. From time to time the deadlines have been tight, but the services have been duly delivered with good quality.

I am happy to recommend ADE Professional Solutions.

Best regards,
